“ Alberta was a dear friend and a beautiful soul. I am so grateful for the days Carolyn and I got to spend with her in Alva after Mother's passing. She loved everyone and God's light truly shown through in her caring spirit. Prayers to all of her lovely family at this time of bereavement.

“ Aunt Alberta was also very special to me. Something that has stayed with me for all my life is the love, warmth, and genuine interest and delight she showed me.

Growing up, we didn't live close to Aunt Alberta but visited during my childhood. I remember as everyone was heading to bed, she would put the coffee pot on and my mom would join her in the kitchen, surrounded by pies, for a late night talk into the wee hours of the next day. I loved that they shared that.

I visited Aunt Alberta last year from Austin where I live, and enjoyed some of what I imagine my mom had shared with her. She was fun to talk to and ready to share. We went to one of her favorite restaurants for lunch, the pharmacy for ice cream shakes, and took a drive out to Avard where Uncle Max and my mom had grown up.

Our love goes out to cousins Ronnie and Lonnie and their families.

“ Ronnie and Nancy. Lonnie and Gail. Thanks for sharing your Mom with me my Senior year at Carmen-Dacoma.
Dad got moved from Green Valley to Guthrie the summer after my junior year. Your Mom came to my folks with a plan so I could graduate with my class at Carmen. She had to know what she was getting herself into she had just raised you two ! Typical Alberta, she made it seem like I would+ be helping them by staying with them my Senior Year. I could help Max with chores.
I was feed some of the best home cooked meals. Laughed till it hurt. And loved like I was family.
Many claim your Mom as their second Mother. Your Mom knew that Love was unlimited. The more she gave, the more she had to give.
You were so lucky to born Family. Everyone else was so Lucky to be treated as Family.

“ Alberta Bliss was like a second Mom to me. My Dad Rev Byron L Wayman pastored the Greenvallley Church from 1962-1965. Our families were very close Thru the years we were always laughing, crying, and sharing our good and not so good times
I can't even imagine the fun as she meets everyone who proceeded her. My loss is sad but heaven's corridors are filled with joy and laughter as reunions begin! Love you our Blessed Bliss Family Ruthie Wayman Patkowski
