“ Tried for many years to locate Rusty. My sister, Patty Weber Sursa was married to his dad for 18 yrs. We were about the same age and we had some fun times. Was so sorry to find his obituary. Missed him over the years and will now miss him the rest of my life. Would love to see Kent and Randy.

“ I have many memories of Rusty always fussing about something wrong with his truck. I spent alot of miles chasing rusty hauling Mackey cattle. It was never boring at 2AM if Rusty was around. Rusty will be missed by all of his cow hauling friends. He is probably driving a new Peterbilt around heaven with a shiny new wagon outrunning the law. Till me meet again my friend
