

Susan Kay Hendricks

December 8, 1954 - December 1, 2020

Susan was born December 8, 1954 and began her eternal life surrounded by her family on December 1, 2020.

Susan was born to her loving parents, Richard and Wenonah Hendricks. She grew up on the family farm outside of Capron. She enjoyed working on the farm with her Dad, cooking with her Mom, playing outside with her two brothers and listening to records with her sister.

Susan began her college education at Kansas State University and finished her degree at Northwestern Oklahoma State University where she majored in Art. She took her passion and talent for art and turned it into a lifelong career. She worked as a freelance artist, taught at Waynoka Public Schools for 10 years and made an impact on those who commissioned her work to memorialize their loved ones through her etchings and drawings.

Above all things, Susan was a Mom and Grandma known to most as Yaya. She was loving, nurturing and selfless. She spent much of her time with her three daughters, son-in-laws, and six grandchildren. It was easy for people to see that Susan shared a special bond with each of them.

Susan enjoyed spending time of the farm, going on walks and traveling with her family. Most weekends you would find her doing arts and crafts with her grandkids. She was always up for an adventure whether it was riding a rollercoaster, parasailing, or boogie boarding. She was a chocolate lover, avid reader, loved to dance, loved all things Harry Potter and a true kid at heart. Susan was quiet and reserved to most, but to those who knew her she was funny, loyal, honest, brave, a fighter and described by so many as one of the strongest people they have known.

Susan also spent many years volunteering as a cancer activist. She was chosen as one of the Ambassadors for Oklahoma to participate in the Celebration on the Hill in Washington DC. There she represented Oklahoma and helped lobby to raise awareness about cancer and the need for more funding and research to find a cure.

We will always love you. You will always be our Yaya, Mom, Aunt Susie, sister, daughter and friend. You were so much to so many. How lucky are we, to have loved someone so much that makes saying goodbye so hard.

Susan was preceded in death by her Mom Wenonah Hendricks, her sister Wanda Reed and her nephew Luke Hendricks. She is survived by her three daughters, Marsha Pharis, Angela Norton and husband Marick, and Sarah Sherman and husband Brandon, her six grandchildren, Trevor Pharis, Megan Pharis, Avery Norton, Kelsey Norton, Sophia Sherman and Brooks Sherman, her Dad, Richard Hendricks, her nephew Bryan Reed, who she loved as her own, his wife Dayna and family, her brothers Dewayne Hendricks and Lonnie Hendricks and wife Jordan and his children Nick and Shadow, as well as many other family and friends.

A celebration of life will be held in the spring.

In lieu of flowers, the family requests that donations be made to MD Anderson Cancer Center at <https://gifts.mdanderson.org> to continue the fight to find a cure for cancer.

“ I had Mrs. Dunn in Art in High School at Waynoka. I still have almost every project 20 years later. I was always super envious of her gorgeously long hair!

I was lucky enough to work along side her at Alva Monument, seeing her true artistry come to life in her hand-drawn sketches and etchings.

Her joy in the little things was contagious and I know she'll be missed by everyone that had the pleasure of her company. Keep smiling, beautiful!

“ I had the pleasure of knowing Susan from the day she was born. Our families were neighbors and friends and we all attended the Capron School. She was so talented with the many pieces of art she had produced thru the Alva Monument and other media. The last project she helped me with was the Capron School Reunion. She will certainly be missed by her family and friends.

“ I am so sorry for her dear family who she loved so much! I have known Susan since Capron days when she was best friends with my sister, Terry. And when my youngest son started school, we were reunited again with her grand-twins, Trevor and Megan. She indeed was very a special lady who touched many hearts with her loving heart and soul. Prayers for the family.

“ I didn't know Susan, personally, but my husband & I were extremely pleased with her expertise in the etching on our headstone! It features lots of detail in the scene on the back. Glad my husband got to see it before his passing a few months later! RIP, Susan!

“ What a beautiful and kind woman! The first time I met you was at Sophia’s baby shower! You embraced me with open arms and such a sweet smile. You opened your arms and heart, to my brother who was beyond blessed and excited to be a part of your amazing family. We had dinner a few months ago, and I wish I had known that would be the last time I would get to see you. I would have told you goodbye, I would have hugged you a little tighter and held on a little longer, and I would have taken more time to tell you how much those beautiful gifts you made for my family after my son passed, meant to us! I can only imagine.... with a smile that amazing.... your angel wings must be magnificent. Rest In Peace, you raised such beautiful and strong woman to pick up where you left this world. Until we meet again, you will be missed!!!!
