“ As a member of the *First United Methodist Church*, I spent many Sundays growing up in Alva listening to Alycen play the organ and piano. She was the essence of grace and just a lovely person. She will be missed by the church and community for her many talents and by her presence.

“ Alycen was a beautiful soul who will be greatly missed and fondly remembered. I loved to hear her play the organ as she did such a beautiful job. Heaven has gained a wonderful new angel and Earth has lost a beautiful lady. I pray that God will give the family comfort in the knowledge that she is now in Heaven and peace in the knowledge that her pain and suffering have ended.

“ It’s so hard to believe Alyson is gone. She taught me, my brother (Marek Greer), my sister (Brenda Van Zandt), & my son Marek Payton Stein to play the piano. My brother loved it so much he took piano lessons through college until he started working on his medical degree at OU. Alyson and my mother also attended NWOSU at the same time, with my mother being 2 yrs younger than Alyson. Marsha and I were good friends in high school and college room mates several times. Alyson played at our wedding too. When Jim and I moved back to Alva in 1997, Alyson became one of our customers in our landscape business. She helped us so much with referrals when we were getting our business up & going. It was so nice to know her as an adult, in addition to being our piano teacher. As a married adult we were confidantes a couple of times. She helped me greatly one time when I sought her advice, and I returned the favor one time. We respected each other and valued the other’s opinion & friendship. Thank you Alyson. I needed your help at that time and you were a big help to me then. Every time I came home to Alva, I always knew she was there on the corner in her house. It was such a good feeling. Oh the memories..... I know she’s happy in heaven with family & friends, but she is & will be missed in Alva. Prayers for her family and friends. Jimmy & Diana Stein
