“ Joe,
Your mother was a wonderful person, who made everyone feel like a part of the family. From Germany to Florida, to Oklahoma, the time we were able to spend with you all created lasting memories for me. I remember you and your mother picking me up at the airport for wheat harvest; how she loved to bake brownies, cookies, more brownies; making sure I never left the table hungry, "Here have some more", she would say. She is an eternal angel.
You and the boys will be in my thoughts and prayers.
Love, Dave
