“ Living so far away I just read about Louise. Annie told me a few weeks ago Louise was not doing well. Bless her heart; she was a friend to everyone and was always upbeat. It seems to me all the 'dear ones' I knew as a kid growing up in Hardtner are leaving for a better place. Louise was one of those. Annie, you were such a good friend and daughter-in-law. Both of you enjoyed one another. I'm thinking of all and missing Louise.

“ Dear Cousins and Family,
I'm sorry for the loss of your mother, Anna Louise Ewing. Such a sweet lady who cared about people. My memory is how she would stop by the farm of Philipp and LaDonna Berry Ring and check on my Mom and visit with her. Of course, Gary was along by her side. I had the pleasure of knowing her and her parents, Aunt Maude and Uncle Lawrence. Sending love this morning since I will not be able to attend services, but I'll be there with all in the Holy Spirit.

“ Mike and Steve. We are so sorry for your loss. My parents so "loved" your mom. My mom, LaDonna Ring especially loved her pecan pies and and Louise made her one every Christmas until the day she moved to Wichita. My father, Philipp Ring, has shared many memories with me. She was a very lovely lady, active and fun loving. She will dearly be missed. Anita Craddock & Philipp Ring

“ Steve and Mike: I am so sorry to hear of the loss of your mother. Your dad and mom and my parents shared many fun times together in the Hardtner area. That bunch was a close knit group! Remember the birthday parties we shared growing up? Hold the memories of your mother in your hearts and she will always be with you! Hugs during this difficult time!

I knew Louise through a mutual friend, Donna Watkins. I only got to visit with her twice, but those visits made an impact on me. Louise was very enthusiastic about life and had such a delightful spirit. I liked her from the moment we met, and later admired her for her strong will to keep going. She was indeed a beautiful lady and I know her family will miss her. My thoughts and prayers are with you all.

“ *I will miss Louise so much. In the last few years we have become close to each other except we live many miles apart. But that didn't stop the many letters, phone calls and sometimes visits. We were cousins from our mother's side. I baby set Gary when he was a little boy and that was awhile ago. I loved her as much as I would have loved a sister.*

I miss you so much already Louise. When it came to the family history I am doing you always knew who I should ask for help but most of the time you knew the answer. My love and prayers to all of the family. Pattie Nagel Atchley
