“ *Dear sweet cousins! I'm sorry for your heartache, but know your faith is strong in what is the true gift that your loved one will have. I loved seeing Betty's adventures on facebook & all the family get together that she would have us in stitches with laughing! Her & Greg worked together for many years & he admired her spunk & humor in making the workplace tolerable. She loved her family and was so creative in showing her love! You will miss that, I know, but have such precious memories and keepsakes to fondly look at. You all are in my prayers for strength and comfort. God bless you! <3 Love, Greg & Natalie*
