“ My name is Steven and I am his eldest and most assuredly the last of the family. I am 69. My father grew up in a time of scarcity and drilled that in my head from the beginning. But he taught many life lessons that I carry with me to this day. Do I miss him, Yes, but I would not want anyone to live in pain like he did the last few years of his life. God be with you.

“ Billy was my uncle, although I never got to meet him after I became an adult. Unfortunately, both times my family came to visit Joy and her kids in Oklahoma, Billy did not wish to meet me. I am sorry for the loss his daughter and grandchildren are feeling, I know this is a very hard time for them right now.

“ I work at the cable office in Alva and believed it was always a pleasure to serve Mr. Meixner. I missed his visits when he moved to Enid and thought about him often. Sometimes his family & friends don't realize the impact their loved ones have on other peoples lives that's why I wanted you to know. I will & did miss him. Sincerely
