“ I have come to know DeVerl over the passed year and am so blessed to have known him in my life. He has nurtured and protected me and like a guardian kept me safe. We've spent great time together laughing and telling stories. I will remember the smile on his face and the way he squeezed my hand the last time we spoke as one of my fondest memories. Be at peace all who loved him, as he is surely in the Peaceful Kingdom patiently awaiting us to join him. Be Blessed.
