“ Family & Friends of Clint;

It has been a little over a week since I found out about Clint. I keep waiting for this to get easier but so far no luck. I wish I had some magic words that would take away the heart ache. I keep thinking of the last hug I got from Clint and it makes me smile but if I only knew it was the last I would have held on a little tighter. I have so many happy memories of all of you the VIP, the ranch, your swimming pool, and many many more. I will cherish all those memories forever. I love you all very very much!

“ Shirley, Clark, Clain and family. I am deeply saddened by your loss. Your family is in my thoughts and prayers. I know how the loss of a child before their time can be overwhelming, but you can always remember Clint's smile, laugh and charm. I always smile when I think of growing up with him and how close the class of '89 was and still is now. He will always be a part of us and he will be remembered forever in our hearts.

“ Our deepest sympathy is with your family. I remember Clint as a cute boy and a good little student when I taught him in second grade. Clint was always so friendly speaking to me and talking when he saw me. I also remember subbing in classes that his daughter Tabitha was in. I could tell with her pretty blue eyes that she belonged to Clint. May God bless you and give your family comfort.

“ clark and shirley

where to begin and what to say?i guess my earliest recollection of clint was during the radio auction days.clint would bid on an item and five mins later clain would bid against him.we called them clink and clank on the radio.no matter what he did in his latter years clint was a good kid.you couldnt help but like him.when he walked in a room he seemed to brighten it up.

i will miss clink,as you will too.and as sad as it is,he is free from all his demons.im sure he already been out with vince scoping out the fishing ponds or playing a game of pitch.

may god bless you all.my prayers are with you.

“ *Clint gave me strength when I needed it most. When I had knee surgery in high school, he called every day I was in the hospital, just to cheer me up. He was a loyal and sincere friend. I rarely saw him without a smile on his face and a laugh in his voice. I have fond memories from Lincoln elementary to AHS of skating parties, swimming parties and just listening to heavy metal at the house. Clint was always a friend you could count on and who listened to you. Shirley and Clark, you raised a son with a heart of gold. I will miss him.*
