“ *to aunt Daisy's children and extended family,I just wanted to say I was thinking of all of you and don't think I will be able to make it saturday due to my work schedule but am stil trying to arrange it.Any how when I think of all the wonderful memories I have of Aunt Daisy I have to smile and laugh out loud alot when I tell stories of when we use to sit in her front porch swing and talked and laughed about life.She was such a bundle of joy and part of me has to think I inherited alot of personality as far as speaking my mind and not mincing words...you always knew where you stood with her.Even though I didn't get down there as often as I should have I always loved to stop by and visit her and will always cherish the memories she has left with me and so many more. Love you Aunt Daisy and all of your family .Love and prayers ,Janell*

“ My deepest sympathy to the family of Daisy Daughhetee. I am glad I had the opportunity to be a part of Daisy's family. I remember how Grandma Daisy, Virg, Gene and Joy used to set for hours playing cards. Laugh, argue, than laugh some more. She loved being around her family. It was always interesting listening to her tell the history of the area and of the people of Freedom. She lived a long full and sometimes hard life, but she weathered it all well. Please know that my thoughts and prayers are with you all. Even though I am no longer in the area I think of each of you often and remember my time in Freedom and with John and his family. And to me she will always be Grandma Daisy.

Love to all
