“ I am heart broken to hear of Dave's passing. Growing up we spent many summers with Dave, Linda and the boys. He was my favorite uncle and I'm so sorry we lost touch with him over the years. I have wonderful memories of him and he taught me so much while working in the shop with him. RIP Dave, my the Lord bless you.

“ I am sending Prayers of comfort for the Family and Friends of my friend Dave. My relationship with he and his Wife Charlene began as business and turned into friendship. We gravitate towards those we respect and appreciate as did my relationship with Dave. Dave was multidimensional and I believe he has a special role going forward.
