“ Donna meant a lot to our family, she moved in with us after our mother was killed in a tragic car accident. She loved us all and did a great job keeping the household running plus she worked a full time job. She would have us over to dinner years after she moved out. She was always smiling and loving people. She was so excited to marry Charles and later on to adopt Scott. She was a blessing to many, but very blessed in return! Ron, Bryan, Pam, and Serena Murphy.

“ *Some of my earliest memories are visiting Aunt Donna at her home in Kiowa and the donuts she would heat up for us from the freezer. I remember being the flower girl at her wedding to Uncle Charles, helping prepare lunches out on the farm at harvest time, and the fun vacation I was able to join in on in Colorado. Some of my recent favorite memories are of Ethan sitting next to Aunt Donna as she read him a book that was as tall as him. I'm so glad we were able to come visit in December and that she was able to hold her Great-great nephew and feed him a bottle. Love you Aunt Donna. You will always be in my heart.*
