“ Dear Rex and family,
We are so sorry for your loss. You and Edythe were so good to Bob and I when we first came to Freedom. You opened your hearts and home to us and made things much easier especially for Bob. Edythe was always there to help me find my way around at school that first year when things were sometimes confusing.
May God be with you in the days ahead to give you strength and comfort as only he can.
In God's Peace,
Bob and Barbara

“ Dearest Rex & family -

My heart goes out to you in your time of loss. I know I don't need to tell you, but Edythe was a very special lady. She always had a kind word and a smile. I remember when she started teaching at Freedom. I was in one of her business classes and on the class roster I was listed by my proper name of Cindra Burks. She called me Sandra Brooks for the first week. As we grew closer and eventually became like family, that is a memory we often shared. She touched a lot of lives, not only as a wonderful teacher, but also as a friend. She will be missed!

“ While we are saddened at Edythe's passing, we know she is no longer suffering. I, (Becky) took all of Edythe's classes and she was so much more than a teacher of business. She taught me so many things about myself and always encouraged me to take a chance. I admire her and will always be grateful for the influence she had in my life.

“ Rex, Darin, Gary, Annetta, Myron and families:
"Mrs. Bradt" meant the world to so many of us not just as a teacher, but as a dear friend. She treated people with fairness and kindness and her upbeat attitude was contagious, to say the least. We all share in your sorrow, but am thankful she's no longer suffering. We love her and miss her already. In Sympathy, Kim King Milliron and family
