“ *We always loved seeing Elsie Rodgers come into the public library, about once a week, to pick up an arm full of books. She would read about most anything and if we were ever unsure about a new book we could always say, "Well, at least Elsie will read it." Or if we needed an opinion on a book we could hand it to her and she would read it and give us her honest thoughts. We will sorely miss our fellow book lover and her upbeat spirit.*

“ *Our love and prayers go out to the family, on the loss of their amazing mother.*

Elsie was fun, kind, intelligent and so generous with her love. She always found the good in people. She will be with us always in our hearts.

Kurt was just getting to know Elsie better through playing cards, and she was one hell of a card player and very competitive. We will cherish our Memories fondly.

*Photo of Elsie and Jim when they opened their home to us during a rough period for our Family during Christmas, we were so grateful.
