“ I'm sorry to hear of the bad health he had and of his passing away. I always liked the man, especially his stories of working out west in Cimarron County. I was always a good listener when he told of his job and life out there. He even told me that if I wanted we would go camping out there and he could really show me some great fossils and old pioneer camps. Now I guess I should of took him up on the offer, he was a good man. I will miss him. Mark Dubben

“ Doris, Tonja & family,  
We were so sorry to hear of your loss. Please know that you are in our thoughts and prayers during this very difficult time. May the knowledge that your loved one is now wrapped in the arms of the Lord and no longer in worldly pain be a comfort to you and your family.
