“ *Dennis and Janet*

You will never know what a friend Fae was to me. I first met Fae when I started to work for Helen Nelson at Merle Norman in 1984. We have not missed a birthday or Christmas since that time. When she called, she always would say... "this is Fae". I will never forget her sweet voice and wonderful advice. My mom passed several years ago and Fae filled the void. Fae you will be missed.

“ I can't remember a time when I didn't know Fae. She and Max played in bridge club with my parents and I always loved getting to stay up past my bedtime to see everyone, especially them! Later, Fae became my PEO sister when I joined Chapter AL. She & I had fun hosting meetings together and the best part was sitting down to visit over coffee after everyone was gone. I loved her sense of humor and her kind heart. Losing someone like Fae, who was a friend to my parents and to me is very difficult. She was a link to my past and my parents in addition to being a dear friend. I will truly miss her. My sympathies and prayers to her family.

“ My dear friend Fae, what a gracious and sweet lady you were. I enjoyed the time I spend working in the same office...Fae for Savere Refrigeration and me for Thilsted Electric/Davison Electric. You taught me lots of lifes lessions. May God be with your family.

“ Dear Savere Family: I know you don't need me to tell you how special Fae was to the community. But I do need to extend my sympathy to all of you. She always made me feel like I was the only one in Holder's when I met her there. Of course I saw her everywhere (especially Merle Norman) in the years when I lived in Alva. When we moved away my meeting place for all my lady friends was Holder's. I would sit just a little while and she had never forgotten anything about how our lives were going. I can honestly say she was such an inspiration for good in that Alva community. She will be missed by so many. What a great legacy she lives with a lovely family.

“ I had the pleasure of working with Fae for many years when I was bookkeeper for Thilsted Electric. We always had a good time. Later my daughter, her husband and their baby boy lived across the street from Fae. She was special and will be remembered fondly.

“ *Dennis and Janet:*

Our parents were friends for such a long time.

From early childhood, I have such fond memories of both Fae and Max. I was so saddened to read of her passing today. She was a sweet, special person.

Thinking of you.
