“ I'm so glad I got to see Frank about a month ago. I remember the year he was in school in Avard and I was going to Rose Valley. That was the last year Avard had a track meet. Then we all had to Attend Waynoka. This is where I found a friend for life. Frank was a very caring father and brother. He has blessed this world with his smile and kindness. Fly high angel. May God love be with your family and friends. See you again in heaven.
