“ So sorry for your loss of Fred. I worked with him at Oklahoma Natural Gas. Fred was the 1st person at work to point out my 1st gray hair. Also, he was the 1st person to point out my glow and asked if I was pregnant. Before I even announced to work. I think he had insider information from Nell. He was funny and kind to me and I will always remember that. Thanks Fred, you will be missed.

“ I met Fred around the time after I moved to Alva. He was a good friends. He will be missed. May God comfort his friends and family. It seems that every weekend you could find him sitting on the banks of his many fishing holes. Peace be with you my friend.
