“ Mrs. Diefenbach was a Class A lady. She was my second mom for several years and I will never forget all of the times I spent in her presence. She and Mr. Diefenbach were good people. I can attest to how good of a cook she was and that she loved her family very much. Although I lost touch with her, I did think of her often especially whenever I was in Alva. I know that she will be greatly missed but I also know that she is rejoicing in Heaven with all of those who went before her. I will have a tree planted in her honor. May God grant the family peace and surround them in His love. She worked hard all her life and now she is at rest and reaping her rewards.
