“ Sending my deepest sympathy to you all, and I want you to know that Harold and Bert both have a big piece of my heart. They were the happiest couple I think I've ever known. I'll really miss Harold's onry personality. He was the best. He could always make me have a better day just because he was a part of it. His descendents have a great blood line coming from two of the nicest people on earth, one which will always be a hero in my eyes.(Randy) You know what I'm talking about. Thank You! I'm gonna miss Harold as much as I've missed Bert, but it's good to know I'll get to see them again someday.

“ Our deepest sympathy is with all the family. Harold was such a joy to be around. We went on a college basketball bus trip with him and his wife one time and he was so friendly. May your loving memories be a source of comfort for you.

“ Pops was a very dear family member and friend that will be missed. Not sure how we will ever find anyone to that could share a good "short" story like he could. We love you always. May God Bless all the family members and friends as we come together to celebrate his wonderful life!
