“ I remember those days in high school & college when they had hay down & they would call & have me buck bales. As we cooled off back at the house, Hazel would always say she would give me a cream separator when I got married. Luckily that didn't happen! We have enjoyed visiting with her on our weekly Sunday night visits to the nursing home. We will miss her & the visits a lot.

Years ago, I got acquainted with Hazel, when visiting her Mother, at Share. Such a sweet lady; never saw her without a genuine smile! Earthly loss is Heaven's gain!
