“ To all family~

My heart is with you in this time of loss! I dearly loved your mom, mimi or whatever she was called to you. I know that the lord has taken her home where there is no more suffering. She loved her children with all she had. She also loved her grandchildren dearly. It was obvious the time I was around her. I am saddened by her passing but I know that she is now in good hands and I hope all of you know that. Every single one of you has been a part of my heart and today my heart is with you!
