

Henriella Reynolds

February 13, 1930 - April 19, 2011

Henriella Reynolds was born February 13, 1930, in Lebanon, Oregon, to proud and happy parents Edna and Henry Preever. She left this world suddenly and painlessly on April 19, 2011 to “frolic with God”. She leaves grieving and bewildered family and friends who thank God for every second they shared with Mom/Grammie/Mema/Henri; her husband Bob Reynolds, children and their spouses Karla and Larry Horn, Karl and Emily Stottlemyre, Kellye Cobbs, Rebecca Johnson and Ed Giardino; stepson Chad and Linda Johnson; grandchildren Kasandra Pittman and husband Corey McCoy, Scott Stottlemyre, Matthew Stottlemyre, Jennifer and husband Nick Hufford, great-grandchildren Zoe Pittman and Connor Hufford, brother Bill Preever, sister Patsy Springstun, as well as, numerous nieces and nephews and extended family .

After graduating from Lebanon High School, Henriella married Karl Stottlemyre and moved to Sand Springs,OK where they raised their family. Henriella later married Dr. Chad Johnson and moved to Montana and then to Alva where Becky was raised. After Dr. Johnson’s death she married Bob Reynolds, a long time Alva pharmacist, and returned to Alva where she has been active in PEO and a supporter of many community organizations. Her family was foremost in her mind and they will cherish her love always. Family would come from great distances and friends would shorten their own family holidays to be at Henriella’s, because she made every occasion magical and made everyone feel special and welcome.

“ *My Dad Gene Guinn is saddened to learn of the passing of his cousin Henriella. He recalls many good times spent in her company and shares the family's grief at this unexpected loss. I met Henriella only once -- on my 13th birthday. I've never forgotten her and her hearty laugh and bigger-than-life personality. She had a verve and passion for life that was contagious. Fifty years after that encounter, I still remember her smile as she yanked open the car door and pulled me out into a warm embrace. Wish I had had the opportunity to know her better.*

“ I might have never gotten the opportunity to meet such a wonderful lady as Henriella but through friends I have been honored to have relationships with people near and dear to her. I recently learned that Henri was an avid animal lover. I know that even though we never personally got to meet we would have become fast friends. In lieu of flowers the family requested donations to be made to Creature Concerns. Henri will forever be "paying it forward" just like she did when she was still with us.
