“ ONE of the greatest women I have had the honor and privilege of being her nephew, Aunt Janet I will miss you so very very much in this life but I knew your heart and I know you are with the Lord no doubt and that is the best place to be. My heart will hurt forever until we see each other again. The shock of your passing hit me very hard after our time together here in Colorado and you and Shy being here daily with me, what a blessing to have you here at that time, we shall meet again Aunt Janet.

“ To Scott and Jason, I am deeply sorry for the loss of your dear mother. She was a wonderful person that touched the lives of all that knew her. As a child growing up she touched my life with a lot of good memories. One of which I would like to share with you now. Back then I knew her as my Aunt Jannie. Now as you well know, Aunt Jannie had a passion for horses. The year was 1973 and I was at Aunt Jannie's to watch the 3rd leg of the triple crown. Jason, you were yet to be and Scott, you must have been about knee high to a grasshopper. There was this particular horse named Secretariat that she was quite fond of. Secretariat had won the Kentucky Derby, the Preakness, and was now going for the coveted triple crown by attempting to win the Belmont Stakes. As we settled in to watch the final race we witnessed an historical event as Secretariat pulled away from the pack to win the triple crown. Very few horses have ever accomplished this and I was so proud to have been able to witness it with my Aunt Jannie. Over the years to follow I'm sure Aunt Jannie has watched many more races, but all the races and crowns in the world can not compare to the race of life that she has now completed. She has won the biggest race of all, and has laid her crown at the feet of Jesus. I pray that you find comfort in the fact that your Mom is in that place where there's no more sickness, no more pain, no more sorrow, and no more tears, but rather eternal joy and happiness in the presence of our Lord and Savior Jesus Christ. MAY GOD BLESS.
