“ My heart goes out to Norma and Jack. Many prayers are sent their way. I will miss her heart. She was truly one of the kindest and most loving person I've ever known. She set a great example on how others should be treated. I know she'll be missed, but I'm grateful my cousin isn't suffering anymore.

“ We had a lot of fun together on trips (Tulsa, OKC, Branson, California) and after hours and at the office. We cherish the times we had together. We miss you. Wishing you a joyous reunion with all your loved ones.

“ I will cherish the wonderful memories I have of Janice. Being a neighbor and a Colleague at the Psychiatric Ctr. when I lived in Alva. I left 7 years ago but kept in touch with her and visited her recently. We talked about fun times we had in and out of the office. Janice was creative, intelligent, responsible and always very ethical and professional. I often teased her about knowing everybody on the west side of I-35 and that we couldn't take her anywhere that she didn't run into someone she knew. I will miss her but I know she is in a good place now.

“*Janice and I worked together at the Northwest Mental Health and also at the Share Medical Center. Also we spent many times going camping with Joyce Baker and the Rhineharts. We all enjoyed being together very much and were always playing new games that Peggy and Jim Rhinehart made up. She and I worked for different Doctors doing transcription after hours, always keeping us busy. She was a joy to work with. Around Christmas time this year I stopped by the Sterling House to see her and we had a very enjoyable visit. We always had such good times when we came to Woodward to attend the Christmas Parties for the Center. She will be missed but now we know she no longer is suffering. God Bless you dear friend, now you are home with your mother and father.*

Always a friend and co-worker.

“*JANICE WAS SO MUCH FUN IN THE WOMEN OF THE MOOSE FAMILY. I REALLY APPRECIATE THAT I WAS ALLOWED THE PLEASURE OF GETTING TO KNOW HER.*

“ I worked with Janice for 15

years at Share Hospital in the business office and medical records.
She was a

good friend and will be missed even though we didn't

see much of each other the

years after we left Share.

“ I'm so sorry to hear about janice. We were good friends in
highschool. We used to walk down to where her mother worked
down below Railto and her mother would buy us a coke. Janice will
surely be missed.I will keep you all in my prayers. Janette

“ Even tho' I haven't seen Janice in years, I remember her working at
the Alva hospital, her sweet personality, and smile. Just a few days
ago, I asked someone about her, as I hadn't heard of her since she

left Alva. My sincere sympathy in your loss.
