

Jeremy Newton Tune

February 12, 1979 - August 28, 2022

Jeremy Newton, son of Robbie (Stephens) Diefenbach and Clyde Wesley (Buzzy) Tune was born on February 12, 1979 in Enid, OK. and passed away in Tulsa, OK. on August 28, 2022 at the age of 43years, 6 months and 16 days.

Jeremy Newton Tune was the kind of guy that never met a stranger. If he had a roof over his head, you had one over yours. The kind of friend you could always count on to be there. One phone call away and he could either fix your problems (especially if they were mechanical), or he could tell you a way to fix them.

He had a deep love for dogs and I know that Mojo greeted him at the gates of Heaven. His heart was too kind for this world, and so the good Lord called him home.

He is survived by so many and loved by even more. If you knew him, you know just what the world is missing now.

He is survived by his wife Bonnie Tune, his Children, Kendi, Damien, and Brooklyn. His mother Robbie and step father Eddie Diefenbach, brothers Josh Tune and Aaron Diefenbach, fiancé Kerstie Lewis nephews Asher Diefenbach and Torin His in laws Jackie Willis, Casey Reed, Steve Willis and Philip Blair and wife Billie Sue. Many aunts, uncles, and cousins.

A genuinely good dude. Someone I had come to know as a friend , he was always ready with a smile , a friendly word of advice. A man that loved his family.....someone you could rely on. I will miss him.
