“ Jim was a great classmate but a better friend since we were 10 & 12. Rode ponies all the time, until we graduated to horses. He always had a smile for everyone.. I will miss Jimmy..

“ I am glad to have known Jim. The last time I saw him was at the back of the high school auditorium after the concert during Reunion 2000. I was glad that he approached me and we had a chance to visit for a little while. He will be missed.
