“ Some of my best memories in life came with Junior. The pool hall days, playing snooker, his sense of humor, mad enough to whip me in one instant, and ready to defend me in the next. I/we all have lost a special friend. God be with you all.

“ I (Julie) remember when I was a child Jr had his dogs along the curve by the park pond. Many times as Deana, Shelley or I would be riding bicycles or riding horses we would see him and the boys there. Patti & I loved our visits with Jr at the cable office. We solved many of the world's problems together!! Jr loved his family so much and was a great provider and role model. Countless times he expressed his loneliness for Anna. Now they are both happy to be together again with their Lord. What a glorious reunion it must have been!!

Sincerely,
