“ I have had the priveledge of caring for Junior since he entered Beadles Nursing Home and getting to know him and his beautiful heart. I have been blessed with knowing his family and getting close to them as well. I will always hold dear the memories I have serving him while he was in my care. I took care of him mainly for so many years and he always brought a smile to my face. We had several conversations about his life and family during meals and basic care. I have always held him near and loved him so very much. In my line of work I get to meet so many super people but there are those that will forever stand out and be near to my heart. Junior is one of those. God bless his family and God bless his sweet soul.
