“ *To all Karen's Family*

So sorry to hear of Karen's passing. I got to know her at dialysis. We have a whole circle of friends in the dialysis family. What a nice, sweet lady she was. You are in my thoughts and prayers. May God's Blessings be with all of you.

“ *I am thinking of you and praying for your comfort in during this time. I am so sorry for your loss. I am comforted knowing that your Mom is now with the Lord and is no longer suffering from her medical issues. I can only imagine what it was like for her and you all to live with. I do have some idea though. Thank you for including a link to information about her condition. Several family members need to know this information. Trying to find out and diagnose these kind of diseases are very difficult and more information needs to be available. The family needs to know these can be genetic in nature. Again Thank You and may God be with you and comfort you.*

“ We will miss seeing her bright smile in dialysis. Everyone thought so much of your Mother and we are so sorry that she is gone. She at least is in a place of no pain or suffering. We just pray that God will wrap His Hands around you and get your through this time of sorrow. We are here for you.

We love you both so much.

“ I have never met a sweeter person than Karen. I first got to know her as she groomed my little girl Fancy. I think she loved her as much as I did. She cried right along with me as I told her Fancy died. I was blessed to call her my friend and what a priviledge is was to know her. Now Fancy will be the best groomed dog in Heaven! She will be so missed~

“ Karens family...I'm so sorry to hear about the loss of Karen...we grew up together and went to school together...when we'd see each other we'd catch up on each others family...it hurt to see her suffering so much, but now her pain is gone and she rests with her family that have gone on before...she leaves behind good memories.....
