“ *I met Klay about 7 years ago while I was working on a project in Dacoma. He was always busy with his farming but always had time to talk. I would ask him about bird hunting and he would ask me how my project was going. He was like most of the people that I met in the area, friendly and always ready to help. I found out he was sick from the sister of one of his friends and when I was in the area, I stopped by his house to leave a card. When I got to his house, his mother came to the door and invited me in. I had a chance to met Klay's family and to pray with him. Even though I only knew him for a short time, I considered him a friend.*

God Speed my friend and my condolences to the family,

Darrell Mason

“ You've always been there since I can remember, my friend. Life won't be the same without hearing your laugh or sharing stories. I can understand why you were called. God wants the best and this time he chose mine. Save me a seat as we'll have a lot of catching up to do.

*May the LORD bless you, and keep you;
Mat the LORD make His face shine on you, And be gracious to you;
May the LORD lift up His countenance upon you and give you peace.*

For you
