“ I first met Korry at Walmart when my daughter, Kayleigh, introduced us. He then introduced me to Torry and said "This is my twin brother Torry. He got all the looks and I got all the charm". And boy did Korry ever have the charm! From that very first day he would welcome me with a big hug and a smile. He was a great friend to so many...including my daughter Kayleigh. He will truly be missed by all. Prayers and condolences for the family.

“ *I remember helping to get Korry and Collin ready for prom last April. He is the funniest person I know. I remember how he genuinely cared for my daughter Kyle. He would do anything for her. He was a friend in the most truest sense of the word to her.* ”
