“ As the new Pastor of the Assembly of God, I had just received the privilege of getting to know my brother in Christ. He always came to every service and on 2 Seperate occasions, I left my headlights on. Brother Les was here in record time with his jumper cables and was happy to serve. He is in his heavenly home where he will be until we all join him. Finially receiving his reward and in absolute no pain. Blessings to all his family. May you draw closer and stand for Jesus according to his example.
