

## Linda M. Carrico

July 31, 1950 - April 11, 2018

Linda Marie, daughter of Georgia Rose (Munson) and Charles Lloyd Armantrout was born on July 31, 1950 in Alva, OK. She met Jesus her Savior face to face on the morning of April 11th at the age of 67.

Linda was raised on the farm in Freedom, OK and was proud to be a Freedom Eagle. Upon graduation with the class of 1968, Linda, wearing #14, held and still holds the record for the most points scored in a basketball game.

After High School, Linda attended NWOSU. Though she never completed a degree, the work ethic she learned on the farm earned respect from many who worked alongside her -from Ron Jessup's Service Station, to Panhandle Eastern Pipeline, to her service to families through home healthcare for the elderly. Apart from this hard work, she took the most pride and joy in raising her two daughters, Shannon Deanne and Sammi Marie.

Linda's love for people, life, and sports carried her from Alva to Texas, where she followed her daughters, and most recently back to Alva-because she always considered Freedom her home.

If Linda could speak today, she would say that her greatest accomplishment was giving her life to Jesus at church camp with her best friend Nancy (Craig) Glennie. She was baptized in the First Christian Church of Freedom, attended Oak Street Baptist Church of Graham, TX and her current church home is Hopeton Church.

On this day Linda rejoices in heaven with her parents, grandparents and many other precious friends and family. She awaits the arrival of her two daughters,

Shannon Deanne, her fiancé Wade Althouse and children Tegan and Isaac, her daughter Sammi Marie Dean and husband Rob, her big brother Chuck and wife Luty, her baby sister Earlene and husband Matt and many other family and those she considered family.

In Lieu of flowers-please make contributions to a place she volunteered:

“ I met Linda & Shannon only for a few days in May of 2013. Over my life, I've met many different people and I have little or no memories of them as they had no effect on me. However, with Linda & Shannon, that is the complete opposite. What an amazing lady Linda was and she was so full of life just like her daughter, Shannon. Few people do you ever meet where you feel like you've already known them for a long period of time and feel so comfortable around. What a beautiful and warm spirit you both have.

While I know it's sad to see her gone, what a peace it is to know she's with Jesus and what a joy it is to know that you'll be with her again one day and this time apart will all be forgotten. My love and prayers are with you all down there.

“ Thank you Shannon for making sure your mama got up to Washington to see us. I am so thankful we were able to make some fun memories. I really wanted to take you guys back up to see Mount Rainier when the weather was better but we still had some fun times and loved the new card game you taught us. Thinking of you and the family. Love you💕💕

“ Linda and I met at Northwestern. We were both farm kids and both basketball players with bad knees so we hit it off immediately! She was a very caring person, and even though we went long periods without talking, we always picked up right where we left off! You were a good friend, and I know you are celebrating in heaven. I will miss you, Sparki!

“ She was just with us a month ago. All of us who worked with Linda all those years in the Nursery/Pre-School Department at Oak St Baptist Church in Graham, Tx are in shock. She is missed. She was a unique person. She was real. Kids loved her. She was a part of two Bible Studies before she left. Love and Prayers to her family and friends.
