“ My sincerest sympathy to Loween's family. Although I had not seen Loween for about 5 years, I thought of her often and now have the pleasure of remembering the time we spent as co-workers and friends at Long Motor back in the late 80's. I will always remember her.

“ For Jesse and David and family...

Loween was by far the sweetest, nicest person that I had the privilege to work with for the last 22 years at Long Motor. No matter how hard I tried, I could never make her mad or angry. She never raised her voice or got upset, she just offered a kind correction or made a helpful suggestion.

I guess God could no longer suffer to grace us with her presence because He knew what a brighter place heaven would be with her in His house. It makes me smile thinking about her getting to experience all the treasures of heaven.

May God bless and strengthen you all in your loss.

“ *Lolo was our friend on the first meeting, a wonderful and loving neighbor, friend and "mom" to our children, and sister by divine blessing. She will be always remembered and loved.*

“ Although my time spent learning from her in the position I am in at Long Motor was only around a year and a half, she taught me a lot. I really appreciated working with such a kind, gentle, and repectable person as she was everyday. I will deaply miss her, but I will never forget her. God bless you and thank you Loween.
