“ *Lucky, I'm so sorry to hear of Marcia's passing. It was a very big shock. I remember all the times that I spent with you guys when I first moved to Alva. She was such a giving person and she always had that beautiful smile on her face. I know now that she is in heaven looking down on you and Ronnie. It is will great sorrow that she has gone. But just remember that every night when you look in the sky she is the one holding the brightest star in the sky. I will keep you in my prayers. Thanks for all the good memories of being around you both when I was younger. You both are wonderful folks.*
