

Marcy Beth Engelken

November 21, 1949 - September 6, 2021

Marcy Beth, daughter of Elizabeth Wayne (Hubbard) and Chester Elisha McNett, was born November 21, 1949, in the Cherokee Hospital. She passed away September 6, 2021, at Mercy Hospital in Oklahoma City at the age of 71 years, 9 months 16 days.

Marcy attended Cherokee High School and graduated with the class of 1967. She then attended Northwestern State College for 3 years studying Home Economics. She was a member of the Alva Chapter of Eastern Starr and the 1st United Methodist Church.

On January 25, 1970, she married Ernest Henry Engelken in Cherokee, OK. To this union a daughter, Leisa Renae, was born. During the first few years, Marcy was a homemaker and cooked many meals for Ernie's custom harvesting crews.

Marcy went to work for the Alva Public Schools working as a cook which was her passion!

In the early 1990's, she returned to Northwestern and finished her degree.

She was very proud to graduate the same year as Leisa!

She then worked in the mental health system for 11 years. Marcy retired when Ernie became ill and passed away in 2009.

Marcy went back to work for Alva Schools as a cook. She was looking forward to starting her 17th year, until she became ill with COVID and pneumonia on August 2nd.

Marcy enjoyed helping her daughter, Leisa, sell their gourmet mixes at craft

fairs and later opening their own little pop up shop. They worked and played side by side daily. Marcy was an advocate for their business and got involved with the Farmers Market to promote it. Even when she was so sick in the hospital, she was still handing out business cards and talking about their mixes!

Marcy loved her family. She was so proud and involved in her grandchildren's activities, just as she had done with Leisa.

Marcy and Leisa enjoyed little day trips. They were able to make lots of fun memories this last summer.

Marcy was preceded in death by her husband, Ernie; parents, Betty and Chet; and parents-in-law, Ella and Louie.

Marcy is survived by her daughter, Leisa; grandchildren, Destiny Marie, Jasmine Beth, and Chance Alexander, all of Alva. Also several relatives and a host of friends.

Visitation with the family will be Friday, Sept. 10, from 6-7:30 at Wharton Funeral Chapel. The funeral is Saturday at 10:30 a.m. at the Alva 1st United Methodist Church. Graveside services will follow at the Alva Cemetery. For those unable to attend, it will be live streamed at www.whartonfuneralchapel.com

The family requests that everyone attending the service please wear a mask so no one else has to suffer the loss we have suffered.

Memorial contributions may be made in her memory to the Alva Educational Foundation (Make checks payable to C.F.O.) in care of Wharton's Funeral Chapel.

“ *Leisa, I know this is late in coming, but the words still are not available for me to use to describe what Marcy has meant all these years. She's been a friend, an older sister, a confidant,,,,,Life will definitely be different without her. I can't imagine how you are feeling. The struggles I watched you go through this last month are more than anyone should have to endure. But the Lord knew you could handle it when he took Marcy to be a special angel for him. We are all here to help you in whatever ways you need us. God bless you, Sister. You now have 2 special guardian angels watching over you and your kids for the rest of your time here on this earth. Love you always..*

“ *Leisa, my deepest condolences go out to you and the kids. Your mother was such a kind and caring person. I feel blessed that I had the privilege of meeting her a few years ago. Her beautiful smile will always be remembered. She was just a sweetheart to so many people. The online service was beautiful. Thank you for sharing with us.*

“ *Marcy was a mom to many especially Leisa friends from NWOSU. I'm grateful to be counted as one of the "adopted" daughters. My Alva Mom Marcy had a gentle spirit, warm, loving smile and a hug for anyone that needed it (even when we didn't realize we really needed one!). She was loved and will be missed by many. 💕 P.S. Marcy and Leisa really know how to throw a memorable Bachelorette Party. 😊*

“ I grew up in the house right behind Marcy’s parent’s house. My sister and I became close friends to Leisa and we spent lots of time together growing up. I remember having sleepovers at Leisa’s house and Marcy would always make sure there were lots of snacks for us girls. As we got older Marcy really became like a 2nd Mom to Darcie and I. She always had that great big smile on her face anytime I would see her. I’m really going to miss her smile!

Bye for now Momma Marcy! We will see you soon!❤️
And don’t worry.....we will be taking care of Leisa for you! ❤️🥺❤️

The Lord is our resurrection and the life. The joys of heaven are incalculable and this world will end. What is a few years or decades against the joys of eternity in heaven? Nothing. Just get ready to see her again.
