“ I am Michelle's first cousin. Unfortunately at the age of 5 my parents moved us to the pacific northwest so I never had the privilege knowing her. Even when we made trips to come see family in Oklahoma I never saw Michelle and her sister Anna Marie that I can recall. I knew they existed from hearing people talk and that was all I knew. I think Mom wanted to keep in touch but never knew where they were. I would have loved to have been able to know them. It is one thing I disliked about my childhood, that I never knew my relatives much because we lived so far away.

Thank you so much for posting the many pictures. I so much enjoyed seem them and her happy. And her children. I was struck by how much her oldest son looks like Matt McAlpin and really see Edward in him.

Would love to see and meet you. Each year there is a family reunion for people related to Alvin Edwards who is June McAlpin (Edward's mother) father. I you would like to come and get to know Edward's larger family you are welcome to come. Just let myself or Yvonne or Anna Marie know. It will be held Oct. 15 this year.

WE would have come to the funeral but didn't get the info. in time as to the place. Mom is sending something to the fund.

Pray that you know the presence and comfort from God that passes all understanding as you go through this difficult time, and praying that you are able to always remember the good things in your relationship with her.

Anna Marie, I remember when your grandpa was on harvest with my Dad, Gordon Anderson. Your Grandma took you, Michelle, my sister, Cynthia, and I to Mount Rushmore and other places in SD Black Hills. We had so much fun! I'm saddened that Michelle has passed. From what I've heard & read, she was as great a cook as your Mom & Grandma. Our heartfelt condolences go out to you and the rest of Michelle's family.

“Michelle was something else... I would like to say she was one of a kind, but that wouldn't be true....she was so much like her momma.. never at a loss for words,a great cook,and loved her family.

I know Anna Rae met her with a big hug and an open bottle of beer and told her,tonight the big guy is coming over for a cookout, so let's get busy!!

She will be missed by so many people.

May God Bless her
