“ Whenever I needed a good laugh, I'd call Paul. Whenever I needed a friend, I'd call Paul. Whenever I wanted some fun, I'd call Paul. He was such an important person to me. I don't know how to live my life without him in it. Without him it all seems so sad and heartbreaking. I don't know how I will ever be able to smile again now that he is gone. He was such a great guy and an even better friend. He will be missed so much but will remain in my thoughts and my heart forever more. I love him dearly, always.

“ Paul, Kelly and I have been family for around 40 years!! Back in the day we worked for Sweet Sound the owner Jeff used to make us really mad sometimes, one night when we were at the club he did so! The 3 of us put him in a road case took him down 2 flights of stairs and put him outside by front door of club one of our friends Tony Rainer guitar player for Blue Cheer showed up and was commenting on how funny the talking case out front was and where was Jeff we told him Jeff was bad and we had to punish him 🤪😂
🤪 We still laugh about that to this day!! Paul and I use to prank each other all the time had lots of fun doing so!! He was my brother I Loved him very much ❤️❤️
