Austin, Phillip and I were very sorry to hear of Peggy’s passing. It was unbelievable news because we just saw her the Sunday before she left us. It was our honor to get to know Peggy and get the chance to do her nails. Peggy was an angel. She was one of the most kindness and sweetest soul we have ever met! We will never forget her kindness towards my family and friends. She helped teach my family and friends English. She always had the greatest smile every time she visited us. May she rested peacefully in heaven and stay with God! Tonight we will give our thoughts and prayers to her family and the numerous amount of people she has impacted with her kindness.
