“ *To All of you, I have many many memories of your Dad. Most of all the clorox jug at all of the BB games. Of course, we just watched to see how red his face would get during the games sometimes. It was so nice to have a great family in the same community I grew up in. He will always be a part of Satanta HS.*

“ *So sorry to hear of your loss. Coach McGuire was a great man and teacher. I hope you won't mind if I tell you a wonderful memory I have of Coach McGuire. As you may remember he was the driver's education teacher when he was at Satanta High School. It was a snowy winter day and our group, Anne Pratt, Patrica Sutherland and I were out for our practice driving with Coach McGuire. He was going to teach us how to "handle a car when it goes into a slide". Well it was my turn and he told me, "As soon as you pass this car that is stop at the stop sign, hit the gas and it will make the car go into a slide." So I did just that, as soon as my vision of the driver in the other car was gone, I hit the gas. I never knew he could turn his head so fast to look at the car we had just past. It was because I almost clipped the other car with the driver's ed. car. I'm sure I helped to put a few grey hairs on his head with my driving skills.*
