“*Rachell was not just a great neighbor but also very caring lady. We have been friends since she arrived in this small town. We have laughed and cried together. She was a wonderful grandmother that loved her grandkids so much. In fact she was raising her grandson Michael. She loved him so much. I know for a fact that she was a wonderful cook cause she cooked and share her meals with my family. This was something she loved to do. Never got a bad meal from her. I will miss her very much. Rachell was like a sister to me. Fly high sweetheart. I know how much you missed Leslie, but i know she is over Joy to have you beside her. Love you both. Prayers for her family. Family was everything for this sweet lady.*”
