“ My sincere sympathy to your family during this time of loss. I know I don't have to tell you, but Rex was a special guy. He was so incrediby good to my mother and my daughter Lyndse when they lived in Freedom. After Lyndse left and Mom was alone, Rex would get her mail for her, pick something up from the store, and just check to make sure she was OK. He did these things even when he wasn't in any better shape physically than Mom was. Rex was a wonderful neighbor to my grandparents Pod & Ruby Welty for many years and was just as good to my mother and daughter. He was special, and will be missed by many. Take comfort in the knowledge that he is healed and pain free, reunited with Edythe, held gently in the arms of our Lord and Savior.
