"Robert "Bob" Michael Jensen son of Lois Marie (Del Monica) and Albert Jensen born September 25, 1947 In Berkeley California. He passed away at his home in Alva on the 20th of May 2013 at the age 65 years, 7 Months and

25 Days.

Graduated Military Academy. He was a brilliant musician & had a passion for teaching guitar & voice. He gave lessons to a band member of ELO.

Bob met his ex-wife Judy while he was playing at a music venue in Northern California. They fell in love & had 2 daughters, Laura & Kimberly. Who survive him, along with his brother.

Robert loved Jesus, the Beatles, and his trusted bike!!(that he rode all over Alva) He could recite most verses from the bible. He also had an amazingly witty sense of humor!

Bob would want to be remembered for his music. If you play a Beatles song today he will be shining brightly & happily from above."

Bob was cremated at the family request.

“ David and Todd, thank you for your lovely and heartfelt comments about our father. Definitely touched me. I hadn't seen by dad, Robert, in 16 years. I never got a chance to get to know him well. Always wanted to though. He did his best. Any stories or memories you can share about him will go further than you know. My email is ljensen@prusb.com God bless Laura Jensen Xo

“ Me and my buddy Chuck Antone took guitar lessons from him at Foggy Mountain Music store during my freshman - junior high school years. He was the one that got me so interested in playing guitar and I owe much to him for learning scales and keys. He challenged us and we challenged him and that back and forth made the learning of music that much better. I invited him to play at our church, St. Patrick's, and he did his version of Let It Be with his Guild 12 string-guitar after communion, and how the music resonated through the church. It was very spiritual indeed! I wanted to clap so badly, but that was not allowed in the church. So sorry to hear about his passing. Every time I pick up my guitar, he crosses my mind it seems....

“ I knew Bob for many decades.....we had many journeys together and good times we shared...He taught me to play the guitar...we rode our bikes on numerous trips....I remember when he met Judy....I remember well when Laura was born and have many stories to share about his life.....I kept in contact with him over the years and spoke with him every few months....I last spoke with him in March this year and invited him to come visit me here in Ecuador where I now reside.....He said he would give it some serious consideration for one last grand trip.....Bob always referred to me as his best friend.....and that I was...Often in the past when his name just popped into my head....I felt he was thinking about me and would call shortly thereafter and we would chat for a while....We would talk about the afterlife occasionally and I let him know when he left this world I would remember him well and would speak fondly about his presence....If you read these words Laura....Know that I remember you, your sister and your mother....I remember the very house you lived in.. in Nevada City.....another good friend of mine lives there now with his wife....and he too remembers Robert and is also called David.....I have a very special poem I wrote that is pertinent to Bob and to his passing....I would much like to share it with you and your mother and sister if you would kindly contact me.....On this day, once again..thoughts of Bob came into my mind....I had thought that as in times past he was also thinking of me...and perhaps he wanted to chat.....so I attempted to call to no avail and found his number disconnected....yet we are always connected in spirit....Not being able to find any answers....I had my friend Jim Yeoman....who also knew Bob and remembered him...to find out if he had moved on or what.....Jim told me today about Bob's passing and that he did indeed move on...yet to another plane of existence and awareness in the afterlife....Like all of my dear friends he remains forever in my heart and spirit.....He was my best buddy...like the traditions in the ancient times of King Solomon and before....I'll plant a cedar tree to remember him by.....a tree for him...a tree for his family.....God bless good friend...may your journey with eternity go ever forward now.....David

“ I enjoyed Robert's interest and curiosity when I was working on the house, asking why I did this or that. I will think of him every time I see the insulation in the attic. Glad to have met his girls and may God bless them both. Jack

“ I came to know Robert because of SonHi & Lois. Robert dubbed a lot of videos for me when I was obtaining an advanced level of horsemanship and had to submit the tests by video. I remember him strumming the guitar while SonHi, Lois and I made hats to sell. His talent will be missed.

“ Poem written by Robert Jensen, found taped on his wall:

Titled "The Guitar Man"

The Man that thought he could never get away found the most perfect escape riddled by heartbrakes. Grieved by his own mistakes, will he find love, can he see what's up above? The master of his trade the master of his own destiny made when loved ones left; It left him a mess, who will love the poor man? I think maybe I can.

“ *My father, Robert Jensen, had a big heart. He loved to make people laugh and his soul would flourish if he could teach you to tap into your creative side. He loved Sci-Fi movies, riding his bike and he loved his daughters. We will miss him dearly but we know he is at peace now. My sister and I are doing well and will continue to hold a special place in our hearts for Alva, Oklahoma. Thank you for all your support and love.*
