“ *So sorry to hear about Rodney's passing. He and I were part of the "elevator" gang whose parents moved around from job to job building elevators. He and I had a lot of fun and conversation in our youth and I particularly remember our 5th grade year in Marquette, Nebraska. He went into the Air Force and I enlisted in the Army. I regret not having kept in closer touch over the years but he was one friend I never forgot. May God bless his family during this sad time and ever after. Rodney, I salute you!!*
