“ *Prayers for the family and friends of Roger Dobbs at this time of his death.*

*Growing up, I was aware of the Dobbs boys as a unit, as brothers, something unique in that regard. And I was fascinated by their underground house...thought it was the most interesting house in town and have often imagined living in one like it. Also growing up was gently and compassionately aware of Roger's hemophilia and the burden that must have brought to his life. Rest in peace. Sister Judith*
