“ I was blessed back in 1990 when I meet Wendi, Sharon and Bud....they were my extended family. There are alot of words that describe Sharon!!! here are a few I love.

1. Unique - one of a kind, she was the QUEEN in the deck of cards.
2. Loving - gave and cared for everyone no matter what.
3. Fabulous - even after all her battles with life she always held her head high and looked FABULOUS doing it.

And last AMAZING -

Wendi I love you and always will. You are just as wonderful as she was.

“ So sorry to hear about your loss! I have many happy memories of Sharon during our junior high and early high school years. I spent alot of nights with Wendy when your family lived on Apache. I know Wendy probably hated having her drive us around and accompany us on school trips but I'm sure looking back, you are glad she could do those things. We thought she was the coolest mom ever! We all wanted our moms to be like her.

“ I only knew Sharon through the pages of Facebook but I found her to be very witty and fiercely independent. I enjoyed my brief encounter with her immensely and will miss her banter.
