Suzanne Resler passed peacefully surrounded by friends and family in her home in Alva Oklahoma on Monday, June 17, 2019. She had stunningly learned of the pancreatic cancer that would take her life only three weeks before.

Suzanne Harzman Resler was born on September 9, 1940 and raised in Alva, Oklahoma. She was preceded in death by her husband, Pete Resler; parents Charles and Elaine Harzman and all 4 of her brothers: Bill , Nick, Mike, and Kem Harzman. Suzanne married Paul D. Resler of Cherokee Oklahoma who she met while attending Northwestern Oklahoma State University where she received her bachelor's degree in physical education. She also received her Master's degree from Oklahoma University. She then taught dance at Hayes State University before moving to Overland Park Kansas where she started her family.

Suzanne served the community through the Department of Rehabilitation, department of human services, and as executive director for the Girl Scouts. She spent her life working to make other's lives better. She was inspiring, uplifting and never failed to reach out her heart to those in need.

Suzanne was the matriarch of our family, a job which probably began as the only sister in a family of 4 boys. She was our guide and our listener. She

never failed to have advice, love and understanding for all of her family and friends.

Memorial Contributions may be made in her memory to The Vera Mae Foster Home.

“ *Girls I'm so sorry. Your mother was the helping hand to many kids. I never heard a bad thing from her. She came into my home many times. Set and listen to what we needed. Seen her pick up children as they were her own. Family your in my prayers as mom joins dad.*

“ Our sympathy, love and prayers are with Suzie's family. She was a college friend and a very sweet lady. I was sorry we could not attend her service as we were out of town.

“ I have lost a sister with Suzy leaving us. I have known Suzy as long as I can remember.
Going to Longfellow grade school I was right across the street from her house. My sister Jane Gray an Suzy were good friends thru junior high and high school.
Suzy was doing her student teaching at Alva High when I was a sophomore. Mr Brandenburg gave me a "D" in American history and Suzy found out. She found me and rode me up one side and down the other. There have been many times that I have used her caring for me that day to get me through rough times.
She will be with me until I meet her again.
I do not have to say "God bless" because I know he has.
Love her all ways Paul Gray
