*The memorial video is so nice to see...we were teens together & Carried the friendship to an occasional visit as adults. She never changed from the fun, intelligent, sense of humor. We went years without seeing each other...then came facebook, she was always a strong woman... even at 17, I had true respect for her, and it was a shock to me, a terrible shock to see this. She was a "Good woman", a joyous soul & always seemed to be Superwoman. Truly a GOOD soul!*

*“ Tammy and I shared a quiet friendship over the years. At AHS we shared activities and when I lived at Tonkawa teaching at NOC, we reconnected. She was an awesome waitress- had many laughs with her at restaurants. Her heart was beautiful and I know that she is with the Lord. Grateful to have had many Facebook conversations. Intelligent, witty, talented, and compassionate. That’s who she was on Earth. Susan Perkins Vineyard, AHS Class ‘79*
